## ITINERARY

### Morning

Arrive at the Royal Air Force Museum in Cosford and visit the Cold War Exhibition. Covering more than 8,000 square metres, the distinctive new building tells the unique story of a period in world history when our country was no more than 4 minutes away from annihilation. The exhibition houses many Cold War aircraft like this Gloster Javelin and Britain's three 'V bombers' – the Vulcan, Victor and Valiant plus much more that demonstrate the technological achievements of the era.

### Lunch

The Aviator restaurant in the Visitor Centre at RAF Museum Cosford serves hot and cold meals and snacks and a wide selection of drinks.

### Afternoon

After a short drive arrive at Severn Valley Railway Bridgnorth Station. Board one of these steam-hauled trains and travel along the 16 miles of track to Kidderminster providing the best views of the River Severn as you travel through the valley. Check out the new visitor centre with exhibitions, restaurant and gift shop in The Engine House at Highley.
